CAREER OBJECTIVE

I'm a seasoned Front-End Developer with 3+ years experience in FinTech. I'm passionate about useful interfaces for users, and I've spent the last half year helping improve SberBank's application to 100,000 users. During the period of my work, 33+ features were made, which allowed me to increase the active actions of users by 300%. I'm currently seeking new opportunities in strong and ambitious team with a complex product, so if you'd like to work together, contact me by https://t.me/AleksandrMoss

WORK EXPERIENCE

Middle Front-End Developer

Sber

📅 June 2021 - current
- ⚫ Participated in the development and support of the application replicated to more than 100,000 users.
